A PHILOSOPHER.
'Bout the same as usual
World keeps goin' on;
A lot o' time fur tollin'.
An' a little time fur song.
Snowstorms in the winter
An' roses in the May;
'Bout the same as usual,
I'm kind o' glad to say,
Jes' enough o' trouble
As the days go by
To keep up our ambitions
For a mansion in the sky;
If life were any sweeter
I'm afraid we would forget
That the blessings of the future
Are something better yet.

WAY DOWN EAST TONIGHT.

"Way Down East," that comes to the Washington Opera-house tonight, is a play that aims for wholesome and genuinely human sentiment and teaches a beautiful moral lesson. The story is simplicity itself. A young woman who was betrayed by means of a moel marriage finds refuge in the house of a stern, but honest New Hampshire farmer. She wins the love of the farmer's only son David, who is engaged in his cousin Kate. After the unhappy wail who seeks the farmer's shelter has been taken into the family circle, and is enjoying a halcyon existence, a busybody reveals her mottled past, and David's father orders her from beneath his roof. Before she goes she denounces the author of her wrongs, and leaves her home, followed by her faithful friend and lover, David. The last act brings the farmer to a full realization of the situation, and the unhappy girl is once more taken back to the home she has learned to love. The company and production are both up to that standard of excellence characterizing all of Manager Brady's enterprises.

THE WOUNDING OF CAPT. JAMES LAWRENCE.

Capt. James Lawrence commanded the American frigate Chesapeake. On June 1, 1813, he was challenged to a fight by the commander of the English frigate Shannon, Capt. Broke. Though then in the harbor undergoing repairs, and with a half-mad and partially intoxicated crew, he accepted the challenge at once. "D. D. D." the astonishingly effective new Skin disease prescription

Eczema, Salt Rheum, Barbers' Itch, Erysipelas—all eruptions, scaly diseases and parasitic affections of the skin positively cleared away in a hurry. A clean, pleasant liquid (non-greasy) externally applied—sponged or sopped over the parts. Instantly stops all irritation. Soon clears out absolutely all affected conditions.

(Here is a case cleared away with two bottles.)

(Case of daughter of Mr. Max Hartman, permanently cured of a bad skin disease after two bottles only of this D. D. D. prescription.)

We vouch for these facts.

They have been proven to us beyond the possibility of doubt.

J. JAS. WOOD & SON, Corner Second and Market Streets, MAYSVILLE, KY.

Some weeks ago the astonishing record of this prescription—proven to us by indisputable evidence—induced us to give our unqualified recommendation to the public. Since then D. D. D. has cured so many who obtained it from us that its record with us has been fully equal to its previous history. We have not seen a single instance of disappointment. It seems to do the work every time. In nine cases out of ten, manifestations of the skin are skin diseases—not blood diseases. Many purchasers formerly miserable, thinking they had a bad blood disease, have found it was merely a skin affection and have cleared it all away with this prescription.

A FEW CURES OF WELL-KNOWN PARTIES.

Chicago, April 7, 1902. "About six months ago my daughter began getting sore all over her body and was gradually getting worse. Nothing seemed to do her any good, although we tried different medicines but without success. She would scratch continually and was a sight to look at. I was asked to try a bottle of your D. D. D. remedy, which I did, and to my surprise it worked wonders on her the second day, and before the bottle was empty she was almost cured. The second bottle completely cured her. I will highly recommend your remedy to any one suffering with skin disease; the fact is I cannot say enough for it."

Wishing you every success I am, yours very truly, F. KLINKHAMER, 3001 Filmore Street.

"I am glad to say that the bottle of medicine furnished by you in July last has been of great benefit to me. I am now free from the annoyance heretofore suffered from Eczema on my ankles. I have also cured a friend of mine who had two or three spots on his face."

W. J. FORTNER, St. Paul, Minn. Vice President and General Manager of Great Northern Express Co.

"That wonderful discovery, the D. D. D. remedy, cured me of a bad case of Eczema of long standing, which the physicians could not cure. I cheerfully recommend it to all persons afflicted with any kind of skin disease."

C. R. WOODWARD, 125 Mayor, Chicago, Ill.

The preparation is being used by most of the skin specialists. It is compounded for druggists solely by the D. D. D. Company, 70 Dearborn Street, Chicago.

It is utilized by every general family physician who has taken the trouble to investigate the work it is accomplishing.

It is used in the Cook County Hospital, Chicago.

It will clear off any parasitic break in the skin in from 3 days to 60 days' time.

If you have a skin disease visit the above agents and see proofs that will make you a happier human being.

\$1.00 for this prescription—already made up in sealed bottles—with authentic label on each. The above certificate will fill mail orders on receipt of price.

MISS SARAH FINLEY,

Vice-President of the Palmetto Club, Memphis, Tenn.

WINE OF CARDUI is a thoroughly scientific and modern remedy, meeting the needs of the modern woman in the modern way—without the torture of an operation. Wine of Cardui has cured them in the privacy of their homes and it has found a place in the hearts of American women that no other medicine has found. In their gratitude over 10,000 American women have written letters commending Wine of Cardui. Wine of Cardui meets their wants as no other medicine does. It sustains the young girl at the shock of her entrance to womanhood. Women who take Wine of Cardui have little discomfort during pregnancy and little pain at childbirth. When the change of life appears they enter a happy, healthy old age. Every month it comes to the rescue to assist Nature in throwing the impurities from the body.

Miss Sarah Finley.

following praise on Wine of Cardui:

"Among the numerous medicines placed before suffering women for their relief none can touch McElree's Wine of Cardui. It towers above them all as a reliable female remedy. It simply drives pain and disease away and restores health in an incredibly short period. I have taken great interest in this medicine for the past two years, since it brought health and strength to me. I have also recommended it to a number of my friends and they who have used it speak of it in the highest terms and I feel that it is praise well bestowed."

If you are suffering from female weakness Wine of Cardui is the medicine you need.

You can have health the same as Miss Finley if you will take the Wine of Cardui treatment. If you need advice further than the complete directions given on the bottle, address The Ladies Advisory Department, Chattanooga Med. Co., Chattanooga, Tenn.

WINE of CARDUI

A million suffering women have found relief in Wine of Cardui.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Kodol

Digests What You Eat

Mrs. Loring Nichols of Penn Yan, N. Y., writes: After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured.

Kodol cures indigestion, dyspepsia and all stomach disorders, and gives the heart a full, free and untrammelled action.

Bottles only, \$1.00. Size holding 2 1/4 times the trial size, which sells for 50c.
